"Twizzle" sets new standards

Twizzle, 57 metres

Diana Yacht Design from the Dutch town of Alkmaar has unveiled a 45-metre three-deck yacht. The Diana 428, as the project is called, weighs in at less than 500 gross tons, has a cruising speed of 14 knots and can accommodate twelve guests. Two guest cabins feature Pullman beds, obviously a concession to the charter market. The stewards can divide the owner's suite into two VIP cabins with minimal effort. A crew of nine will be responsible for service on board, as well as handling and maintenance of this classic steel/aluminium design. The Dutch builder has already announced plans for another two, larger designs of this type. dianayachtdesign.com
