Yacht Fuel Services Ltd

total dedication to the industry

Specialist Bunker supplier to the World's largest private Yachts*

**During 1995 YFS supplied Yachts totalling over 12 000 feet L.O.A.*

"Yacht Fuel Services has consistently provided my yacht with the best service; always meeting my requirements timely and expeditiously. It is good quality, well organised bunkering that comes about through attention to detail. For a busy scheduled, wide roving yacht, YFS provides an invaluable service."

Captain Frank Gillies, M.Y. Michaela Rose.
