Technical Launch

Diana Yacht Design's has announced the technical launch of the 44.9m Diana 408 at shipyard Made in Moerdijk, the Netherlands. With over one year to go before her final launch, she is towed to the Hakvoort shipyard in Monnickendam, the Netherlands, where yard number 246 will be finished. Naval architecture is done by Diana Yacht Design in cooperation with shipyard Made and shipyard Hakvoort. With a range of 5,000 nm at 10 knots and a maximum speed of 14 knots she will be suitable for blue water cruising around the world. She features a forward looking Owner's deck with a 270° panoramic view. Together with four VIP staterooms on the lower deck she can accommodate a total of ten guests.
